## Seminar on Tropical and Subtropical Agriculture and Forestry

|                     |   |  |  |
|---------------------|---|--|--|
| <i>Witzenhausen</i> | 28 October,<br>2009<br>16:15 – 18:00 h  | Dr. Wilbert Trejo Lizama<br>Senior Lecturer, Universida Autonoma de Yucatan, Mexico<br>Integrating pig husbandry in Mexican smallscale<br>agricultural systems   | Seminar room,<br>Tropical Greenhouse<br>Faculty of Organic<br>Agricultural Sciences<br>Steinstrasse 19 |
| <i>Göttingen</i>    | 04 November,<br>2009<br>16:15 – 18:00 h | Prof. Dr. Karl Hammer<br>Former Chair for Agrobiodiversity, FB11, University of<br>Kassel in Witzenhausen<br>Global Biodiversity issues in plant genetic resources   | Room F03, Faculty of<br>Forest Sciences and<br>Forest Ecology<br>Büsgenweg 3                           |
| <i>Göttingen</i>    | 18 November,<br>2009<br>16.15 - 18.00   | Dr. Barbara Wilson<br>Hon. Associate Professor in Ecology, Universities of<br>Melbourne and Göttingen<br>Climate Change Impacts on Biodiversity in Southern<br>Australia   | Room F03, Faculty of<br>Forest Sciences and<br>Forest Ecology<br>Büsgenweg 3                           |
| <i>Witzenhausen</i> | 25 November,<br>2009<br>16:15 – 18:00 h | Prof. Dr. Edward Webster<br>Ela Bhatt Visiting Professor for Decent Work &<br>Development, University of Kassel<br>Decent work along agricultural value chains: Research on<br>creating job and income opportunities   | Seminar room,<br>Tropical Greenhouse<br>Faculty of Organic<br>Agricultural Sciences<br>Steinstrasse 19 |
| <i>Göttingen</i>    | 02 December,<br>2009<br>16:15 – 18:00   | Dr. Cornelis Van Tuyl<br>Former Director Division Rural Development, Agriculture<br>and Forestry, GTZ, and Former Programme Coordinator<br>Watershed Management Programme Mekong River<br>Commission – GTZ<br>Natural Resource Management and Capacity Development:<br>Examples from Watershed Management and Forestry,<br>Biodiversity and Climate Programmes in Asia | Room F03, Faculty of<br>Forest Sciences and<br>Forest Ecology<br>Büsgenweg 3                           |
| <i>Witzenhausen</i> | 09 December,<br>2009<br>16:15 – 18:00 h | Prof. Dr. Paul Vlek<br>Director Ecology and Natural Resources Management, ZEF,<br>Bonn<br>Land Degradation in Africa as Seen From Space  | Seminar room,<br>Tropical Greenhouse<br>Faculty of Organic<br>Agricultural Sciences<br>Steinstrasse 19 |
| <i>Göttingen</i>    | 13 January,<br>2010<br>16:15 – 18:00 h  | Dr. Christian Schleyer<br>Berlin Brandenburg Academy of Sciences, Ecosystem<br>Services Research Group<br>Market-based instruments for ecosystem services  | Room F03, Faculty of<br>Forest Sciences and<br>Forest Ecology<br>Büsgenweg 3                           |
| <i>Witzenhausen</i> | 20 January,<br>2010<br>16:15 – 18:00 h  | Marianne Haug<br>Dipl.-Volkswirt, MBA/MSc, AMP, Universities of Hohenheim<br>& Oxford<br>Renewable Energy / Bioenergy - Potentials in Developing<br>and Emerging Economies   | Seminar room S1<br>Faculty of Organic<br>Agricultural Sciences<br>Steinstrasse 19                      |
| <i>Göttingen</i>    | 27 January,<br>2010<br>16:15 – 18:00 h  | Prof. Dr. Kerstin Wydra<br>Managing Director, CeTSAF, Georg-August-Universität<br>Göttingen<br>Biochemistry, molecular biology and sustainable<br>production: what have signal transduction pathways to do<br>with climate change?   | Room F03, Faculty of<br>Forest Sciences and<br>Forest Ecology<br>Büsgenweg 3                           |
| <i>Göttingen</i>    | 03 February,<br>2010<br>16:15 – 18:00 h | Prof. Dr. Stefan Schaltegger<br>Centre for Sustainability Management (CSM), Leuphana<br>University Lüneburg<br>Biodiversity as a Managerial Topic of Corporate<br>Sustainability   | Room F03, Faculty of<br>Forest Sciences and<br>Forest Ecology<br>Büsgenweg 3                           |
| <i>Witzenhausen</i> | 10 February,<br>2010<br>16:15 – 18:00 h | Dr. María Fabiana Navarro Rau<br>Senior Scientist, Instituto Nacional de Tecnologia<br>Agropecuaria INTA, Argentina<br>Cattle Ranching and Vegetation Management in Corrientes<br>Northeast Argentina  | Seminar room,<br>Tropical Greenhouse<br>Faculty of Organic<br>Agricultural Sciences<br>Steinstrasse 19 |

This Seminar is jointly organised by
