Performance Record

FlexNow offers the possibility to create a performance record for the university achievements.
There are different variations of performance records:

- **Create data sheet (verifiable):**
  Here you can create performance records for various purposes. Select the desired format in “Reportformat” and the language. Also you have the possibility to create performance records for “Bafög” or “Deutschlandstipendium”, “Unbedenklichkeitsbescheinigungen” or “Selbstständigkeitserklärungen” for homework.

- **Show data sheets:**
  Performance records that have been created in the past can be accessed or deleted here.
