

Prof. Dr. Christoph F. Schmidt

Third Institute of Physics, Faculty of Physics, Georg August University Göttingen

Curriculum vitae**Education**

- 1988 Dr. rer. nat., Physics, Technical University Munich, Prof. Dr. E. Sackmann
1984 Diploma in Physics, Technical University Munich, Prof. Dr. E. Sackmann

Academic Career

- 2006 – Professor of Physics, W3, University of Göttingen, Germany
2002 – 2006 Member of Directorate, Center for Research on Complex Systems (VUA), Netherlands
1999 – 2005 Professor of Physics, Vrije Universiteit Amsterdam (VUA), Netherlands
1998 – 1999 Associate Professor of Physics with tenure, and Associate Research Scientist, Biophysics Research Division, University of Michigan, Ann Arbor, MI, USA
1997 – 1998 Member, Center for Biomedical Engineering Research, University of Michigan, Ann Arbor, MI, USA
1992 – 1998 Assistant Professor of Physics, and Assistant Research Scientist, Biophysics Research Division, University of Michigan, Ann Arbor, MI, USA
1992 – 1993 Research Associate, Dept. Phys., Harvard University, Cambridge, MA, USA
1991 – 1992 Postdoctoral Fellow, The Rowland Institute for Science, Cambridge, MA, USA
1989 – 1992 Postdoctoral Fellow, Dept. Phys., Harvard University, Cambridge, MA, USA
1988 – 1989 Postdoctoral Fellow, Physics Dept., Technical University Munich, Germany

Fellowships, Awards, and Honours

- 2016 Member, Göttingen Academy of Sciences and Humanities
2014 ERC Advanced Grant
2013 Fellow of the American Physical Society
