

Courses taught in English at the Faculty of Economic Sciences

Module No.: B.WIWI-BWL.0078 Title: Global Virtual Project Management	Credits: 6
Course Content: The aim of this course is to provide students with insight into global project management, managing cross-cultural teams, concepts of project planning as well as concepts related to organizational workflow. Special emphasis will be put on a so-called X-Culture project which provides students with an opportunity to experience global virtual project work with students across the globe. Working in cross-cultural teams for several weeks, students develop a business proposal. The task and the format of teamwork, as well as the collaboration tools used by the teams, are reminiscent of those used in the modern workplace, making the project a very realistic preview of work in corporate global virtual teams.	Course Type: Project seminar
