

Georg-August-Universität Göttingen Modul M.WIWI-VWL.0065: Economics of Crime <i>English title: Economics of Crime</i>	6 C 2 SWS
Lernziele/Kompetenzen: Students will: <ul style="list-style-type: none">• Improve the understanding on the drivers of criminal participation and the effectiveness of policies to deal with it.• Learn how the behavioral perspective can be used to explain economic decisions.	Arbeitsaufwand: Präsenzzeit: 28 Stunden Selbststudium: 152 Stunden
Lehrveranstaltung: Economics of Crime (Seminar) This course presents a behavioral perspective to the economic model of crime. We discuss how different disciplines have understood criminal participation and consider how to model empirically the decision to engage into crime.	2 SWS
Prüfung: Presentation (ca. 20 minutes) with written elaboration (max. 10 pages)	
Prüfungsanforderungen: In the presentation, the students demonstrate their ability to present complex theoretical models and empirical studies. In the paper, students demonstrate their ability to synthesize important findings from both theoretical models and empirical studies, to develop a sound research question based on the literature and to write a scientific paper.
