

### **J.P. Morgan Sales, Trading & Research off-cycle internship opportunities**

**Our Sales, Trading & Research off-cycle internships** run from **3-6 months in length throughout the year**, and are designed to offer you a unique insight into what it's like to work at J.P. Morgan. During your time with us, you'll gain experience across multiple lines of business, receive extensive guidance and feedback, be assigned a mentor, and throughout the internship, be invited to networking events to meet with senior leaders across the organisation.

Our exceptional team of employees work hard to do the right thing for our clients and the firm every day. This is why we are the most respected financial institution in the world – and should you become part of it, you can look forward to an outstanding career.

Many full-time J.P. Morgan graduates are hired from our intern programmes, which are available in the following business areas – Marketing, Research, Sales, Sales Trading, Structuring and Trading.
