20

Date: from

(dd/mm/yyyy) to

(dd/mm/yyyy)

Location:

Confirmation by:

Name of confirming person (in print):

.....
Date, signature of confirming person

GGNB methods and skills courses and industry excursions will automatically be transferred to the credit database and will be confirmed based on attendance lists the course instructors are asked to send us. For these courses, no database entry and confirmation sheet is needed.

For all other courses, meetings and teaching, please enter the details into the credit database (<http://www.ggnb.gwdg.de/credits/>) and send us a COPY of the signed confirmation sheet which can be downloaded in the credit database (or use this form and send us the scan by e-mail, or by Hauspost).

The credits will be confirmed in the database. We will keep the copies of the confirmation sheets and not return them to you.

Please send the confirmations to the GGNB Office or to your IMPRS Office (Molecular Biology, Neuroscience, PBCS, Genome Science).
