

SOCIAL MEDIA MANAGER(m/f)

COVET GROUP is recognized as a group of proven experience in the design and luxury furniture fields, a creative company, with a revolutionary and pioneering attitude.

We have 15 brands, presence in 97 countries and job/internship offers in many areas: Marketing, Design, Communication, Social Media, Management, HR, Programming, Sales, Logistics, and many others.

Is Facebook, Pinterest, LinkedIn, Twitter and Youtube all you think about?

Are your friends always telling you how **creative and talented** you are?

Can you work with **SEO, SEM, Google Adwords** and **Google Analytics** without breaking a sweat?

And you even excel in the **English language**?

If so, are you up for this challenge? You would assist in:

Developing and implementing social media brand strategies, campaigns, and plans to build company awareness;

Creating engaging, original written and visual content;

Overseeing design, look and layout of social media channels;

Implementing digital strategies to ensure best campaign performances and maximum return of investment;

Periodic analyses and evaluations of campaigns, in order to measure its results and calculate its return (ROI).

Now is your chance to **be the voice** of our company, **free your imagination and make a difference**, while **learning and discovering** new tools and evolving, with the guidance of your **skilled team**.
