DELIVERY OF ACADEMIC COURSES

Learning Management System (LMS)

Upon the recommendation of Ateneo's IT Advisory Council, Ateneo has opted to offer only one LMS primarily in response to feedback from our students. Canvas is largely implemented in Loyola Schools and parts of the Ateneo Professional Schools. **Canvas** LMS from instructure is a cloud-based learning management system (LMS) specifically designed for K-5 on up through higher education institutions. Canvas LMS is a scalable platform that can be used to serve education organizations of all sizes and types, from individual classrooms to large universities, and from blended to fully virtual learning.

BluPhr

BluPhr is the system that Ateneo community members, including inbound exchange students, will use to complete requirements for entering the campus. It includes an individual's health record (including health declaration form, vaccination card and status, and lab results). More information on this and the specific documentary requirements will be shared through the Practical Information Sheet, which is distributed to students upon receiving the Certificate of Eligibility to Study from our university.

Frequently Asked Questions (FAQs)

1. Will our students be able to choose classes to enroll in?

Yes. Students will be given a list of available courses for this particular semester and the Course Preference Form (CPF). Students will be asked to choose 10 subjects that they would want to enroll in. Please note that most courses have 3 credits. International exchange students must take a minimum of 12 units per semester. Maximum is 15-18 units.

2. Will online courses be synchronous or asynchronous?

The courses will be delivered mainly asynchronously for the benefit of students from a wide range of time zones. However, occasional synchronous classes may be held as needed. In which case, classes will follow the Philippine Standard Time (GMT/UHT+8). Students are advised to check the time difference when they choose the courses and class schedule.

3. Will courses be in English?

Yes, 99% of courses will be taught in English.

4. Will there be an "orientation program", where students will be informed about all relevant matters?

Yes, please refer to the schedule above or wait for our email on the details for this.

5. Aside from the academic classes, will there be activities for exchange students to participate in?

Yes. The Office of International Relations (OIR) together with the Ateneo Student Exchange Council (ASEC), student arm of the OIR, will facilitate activities such as Cultural Sensitivity talks, interaction and discussion, and immersion activities.

A student buddy will also be assigned to an exchange student to assist during enlistment, load revision and other school related activities.

Note: Border and campus access and course modalities are subject to change. We will keep you updated on any future changes.
