

How to publish a high-impact paper

Seminar
July 5, 10 am

Prof. Dan Binkley

Dan Binkley holds degrees from the Swedish University of Agricultural Sciences (2008 Honorary Doctorate), Oregon State University (1982 PhD in forest ecology, with minors in soil science and botany), the University of British Columbia (1980 MSc. in forest ecology), and Northern Arizona University (1976 BSF in Forest Management).

Dan Binkley was a professor at Colorado State University for over 29 years, teaching courses on a wide range of topics in ecology and sustainable forestry. He was the Director of CSU's cross-campus Graduate Degree Program in Ecology and the Director of the Colorado Forest Restoration Institute. He has published over 150 journal articles and several books on forests and ecology. Since 2007 he is Editor-in-Chief in FOREST ECOLOGY and MANAGEMENT Journal.
