

THE PROJECT

AREAS+ is an Erasmus Mundus mobility project funded by the European Commission and coordinated by Politecnico di Torino, Italy.

The project has been active for 4 years from 2013 to 2017 and awarded scholarships to students, scholars and staff to spend a mobility period from 1 to 34 months from the targeted Asian countries (Cambodia, India, Indonesia, Laos, Malaysia, Myanmar, Mongolia, Sri Lanka, Thailand, The Philippines, Vietnam) to Europe and vice versa for the purpose of studying, teaching or carrying out training and research.

The Erasmus Mundus scholarship covered travel expenses, insurance, monthly allowance and academic fees.

Undergraduate, Master and Doctorate students registered at Partner Universities could perform exchange mobilities.

Full Degree programs were available for individuals wishing to complete a full course of study in Europe.

GRANTEES' EXPERIENCE

Souvik Ghosh, PhD
From: University of Calcutta, India
To: City University of London, UK

Souvik Ghosh has won the Best Paper Award at the Photonics 2016 conference in India. "It was a great honour to be selected as having made the best oral presentation and receiving the award sponsored by Springer. It was a wonderful experience to be there for a couple of days and attend lectures delivered by the most senior and experienced professors and researchers."

- "The mobility in Trento brought me much experiences.
- Thanks to my kind supervisor Prof. Zanon who has guided as well as transferred me aspiration in experiencing Italian cities.
- I also need to mention here is my opportunity to join the Expo Milan and visiting some pavilions."

From: Universiti Kuala Lumpur, Malaysia
To: Universidade do Minho, Braga, Portugal

"It's unusual for Malaysian people to study in Portugal. I feel so lucky for having got the opportunity to learn so many things in a short time. Once someone (N.D. Walsch) said 'Life begins at the end of your comfort zone', and it's true!"

- "This mobility has allowed me to expand my horizons in the field of research, and gain valuable experience in the field of teaching, workshops and seminars.
- A rich experience that will allow me to continue progressing academically in my home university.

thanks to the knowledge and skills acquired during my stay at ISM Dhanbad."

Guillermo Marin, PostDoc Level
