Dear students,

the registrations for examinations are possible now!

Please register for your exams on time via FlexNow if you haven't already.

If there is a problem with registration, please write me a message immediately (within the registration period)!

**You will not be allowed to take the examination without registering. There are no exceptions!**

Please note the following registration and cancellation deadlines:

Exam type	Registration	Cancellation
Written exam	up to 7 days before	up to 24 hours before
Oral exam	up to 7 days before	up to 7 days before
Presentation, term paper, protocol	same day	same day

Please check to see if you have registered for all exams!

**As usual, the registration for grade improvement takes place at the examination office (via email).  
The registration deadlines for this are the same as above!**

I wish you a successful examination period!

Kind regards,  
Selma Koç
