

Tagungsbeiträge / Contribution to Conferences 2011

1. Batáry P, Kovács-Hostyánszki A, Fischer C, Tschardtke T, Holzschuh A (2011) Effect of isolation of forests on bird diversity of hedgerows. 8th Conference of the European Ornithologists' Union, Riga, Lettland, 27.-30. August 2011, 56.
2. Bellach M, Steckel J, Rothenwöhler C, Erasmi S, Scherber C, Tschardtke T, Holzschuh A, Westphal C, Steffan Dewenter I (2011) Landscape complexity and local management affect flower visiting bees. Ecological Functions, Patterns, Processes Verhandlungen der Gesellschaft für Ökologie, Oldenburg, 5.-9. September 2011, 213.
3. Berendse F, Geiger F, Bengtsson J, Weisser W, Emmerson M, Morales MB, Liira J, Tschardtke T (2011) Persistent negative effects of pesticides on biodiversity and biological control potential in European agricultural landscapes. 12th European Ecological Federation Congress, Aliva, Spain, 25.-29. September 2011, 167.
4. Clough Y (2011) Chocolate, biodiversity and ecological functions. Ecological Functions, Patterns, Processes Verhandlungen der Gesellschaft für Ökologie, Oldenburg, 5.-9. September 2011.
5. Clough Y (2011) Combining high yields and high biodiversity in productive agricultural landscapes. International Scientific Conference: Functions and Services of Biodiversity. Göttingen, Germany, 20.-22. June 2011.
6. Fründ J, Dormann CF, Holzschuh A, Tschardtke T (2011) Functional complementarity drives the effect of bee diversity on pollination. 12th European Ecological Federation Congress, Aliva, Spain, 25.-29. September 2011, 309.
7. Fründ J, Dormann CF, Tschardtke T (2011) Linné s floral clock is slow without pollinators flower closure and plant-pollinator interaction webs. International Scientific Conference: Functions and Services of Biodiversity. Göttingen, Germany, 22.-22. June 2011.
8. Haenke S, Winqvist C, Thies C, Bengtsson J, Tschardtke T (2011) Agricultural intensification differentially affects syrphid communities in northern and central Europe. DGaaE -Deutsche Gesellschaft für allgemeine und angewandte Entomologie, Berlin, Germany, 21.-24. March 2011, 51.
9. Kurucz K, Purger J, Tóth Á, Batáry P (2011) How does plasticine vs. coated plasticine egg use influence the survival of artificial ground nests? 8th Conference of the European Ornithologists Union, Riga, Lettland, 27-30 August 2011, 214.
10. Rösch V, Scherber C, Tschardtke T, Batáry P (2011) Leafhopper diversity on calcareous grasslands of different size and isolation. Ecological Functions, Patterns, Processes Verhandlungen der Gesellschaft für Ökologie, Oldenburg, 5.-9. September 2011, 25-26.
11. Rothenwöhler C, Scherber C, Tschardtke T (2011) Effects of grassland intensification on functional insect diversity on different trophic levels. DGaaE -Deutsche Gesellschaft für allgemeine und angewandte Entomologie, Berlin, Germany, 21.-24. March 2011, 17.
12. Rothenwöhler C, Steffan-Dewenter I, Westphal C, Tschardtke T, Scherber C (2011) Effects of Grassland management practices on insect diversity at different trophic levels. 8. Assembly of the Biodiversity Exploratories. Bad Blankenburg, Germany, 14.-18. February 2011.
13. Schlinkert H, Westphal C, Thies C, Tschardtke T (2011) Pollen beetles and pollinators on Brassicaceae species differing in plant size. Ecological Functions, Patterns, Processes Verhandlungen der Gesellschaft für Ökologie, Oldenburg, 5.-9. September 2011, 114.
14. Seidel H, Efendi E, Wielgoss A, Clough Y (2011) Biodiversity vs. species identity: ant community effects on leaf herbivores and spider guilds in Indonesian cacao plantations. Annual Conference of the Society for Tropical Ecology: Status and Future of Tropical Biodiversity, Frankfurt am Main, Germany, 21.-24. February 2011, 231.
15. Steckel J, Bellach M, Rothenwöhler R, Scherber C, Tschardtke T, Westphal C, Steffan Dewenter I (2011) Effects of landscape and land use on the diversity of trap nesting hymenoptera. Ecological Functions, Patterns, Processes Verhandlungen der Gesellschaft für Ökologie, Oldenburg, 5.-9. September 2011, 212.
16. Stenchly K, Clough Y, Tschardtke T (2011) Spider species richness in cacao agroforestry systems, comparing vertical strata, local management and distance to forest. Annual

- Conference of the Society for Tropical Ecology: Status and Future of Tropical Biodiversity, Frankfurt am Main, Germany, 21.-24. February 2011, 166.
17. Tscharntke T (2011) Biodiversität, Ökosystemdienstleistungen und Bioökonomie. Tag der Biowissenschaften, (VdBio). Berlin, Germany, 5. November 2011.
 18. Tscharntke T (2011) Biodiversity conservation and agricultural intensification. Land-use intensification workshop. Canberra, Australia, 4.-7. April 2011.
 19. Tscharntke T (2011) Biodiversity conservation and the future of agricultural intensification. Inauguration de l'Earth and Life Institute (ELI). Louvain-la Neuve, Belgium, 8. June 2011.
 20. Tscharntke T (2011) Biodiversity conservation and the future of agricultural intensification. 12th European Ecological Federation Congress, Aliva, Spain, 25.-29. September 2011, 187.
 21. Tscharntke T (2011) Biodiversity patterns and ecosystem processes along tropical rainforest transformations. Workshop: Planning a CRC in Sumatra. Sumatra, Indonesia, March 2011.
 22. Tscharntke T (2011) Functional biodiversity, pollination and biological control. Agrobiodiversity & Insurance Workshop. Göttingen, Germany, 10.-11. March 2011.
 23. Tscharntke T (2011) Intensivierung der Landwirtschaft und funktionelle Biodiversität. Kolloquium Biodiversität & Gesellschaft. Göttingen, Germany, Januar 2011.
 24. Tscharntke T (2011) Landscape context of biological control and pollination ecosystem services: METHODS. Workshop in Beijing, Institute of Plant Protection (IPP CAAS) & IFFPRI. Beijing, China, 6.- 7. July 2011.
 25. Tscharntke T (2011) Landscape context of biological control of rape pollen beetles. Workshop in Beijing, Institute of Plant Protection (IPP CAAS) & IFFPRI. Beijing, China, 6.- 7. July 2011.
 26. Tscharntke T (2011) Landscape moderation of biodiversity patterns and ecosystem services such as biological control and pollination. Workshop in Beijing, Institute of Plant Protection (IPP CAAS) & IFFPRI. Beijing, China, 6.- 7. July 2011.
 27. Tscharntke T (2011) Landscape moderation of biodiversity patterns and processes. 12th European Ecological Federation Congress, Aliva, Spain, 25.-29. September 2011, 318.
 28. Tscharntke T (2011) Landscape moderation of biodiversity patterns and processes. The Ninth Nekudat Hen Symposium. Yad Handiv, Israel, 25. October 2011.
 29. Tscharntke T (2011) Landscape moderation of biodiversity patterns and processes Landscape moderation of biodiversity patterns and processes. Ecology Seminar in Brisbane, Australia. 8. April 2011.
 30. Tscharntke T (2011) Landscape perspectives on biodiversity persistence in agroecosystems. Biodiversity Institute Symposium. Oxford, UK, 21. September 2011.
 31. Tscharntke T (2011) Ökosystemleistungen, Biodiversität und die Intensivierung der Landwirtschaft. Vorlesungsreihe "Ökosystemleistungen in Kulturlandschaften". Berlin, Germany, 1. Dezember 2011.
 32. Tscharntke T (2011) Points of view of an ecologist: which ecological theories to mobilise? Scientific meeting on Ecological Intensification "Environment and Agronomy" Research Division INRA. Paris, France, 29. November 2011.
 33. Turley NE, Odell WC, Schaefer H, Everwand G, Crawley MJ, Johnson M (2011) Rapid evolution in plants following experimental removal of herbivores. 96th Annual Meeting of the Ecological Society of America (ESA): Earth Stewardship: Preserving and enhancing the earth's life-sup. Austin, Texas, USA, 7.-12. August 2011.
 34. Vochenhuber E (2011) Effects of tree and herb layer diversity on diversity and abundance of flies (Diptera) in Germany's largest cohesive deciduous forest. Student Conference of Conservation Science, Cambridge, UK, 22.-24. March 2011, 54.
 35. Vochenhuber E (2011) Tree species identity drives responses of dipteran communities to tree and herb diversity. Netherlands Annual Ecology Meeting. Lunteren, Nederland, 8.-9. February 2011.
 36. Wielgoss A, Clough Y, Tscharntke T, Fiala B (2011) Ant diversity vs. single species dominance in Indonesian cacao plantation. Annual Conference of the Society for Tropical Ecology: Status and Future of Tropical Biodiversity, Frankfurt am Main, Germany, 21.-24. February 2011, 147.
 37. Wielgoss AC, Tscharntke T, Rumede A, Buchori D, Fiala B, Clough Y (2011) Ecosystem services and disservices mediated by direct and indirect effects of two dominant dolichoderine ant species in Indonesia. Joint International Meeting of the Association ATBC and SCB (Africa Section): Attaining the Millennium Development Goals for Tropical Ecosystems. Arusha, Tanzania, 12.-16. June 2011.
