

## Development Economics IV - Markets and Institutions in Sub-Saharan

Course Number	M.WIWI-VWL.0025
Course Type and Credits	Seminar (blocked course), 6 ECTS
Lecturer	Prof. Wollni
Examination format	Term paper (15 pages text), presentation of paper, discussions
Course Description	In the paper, students demonstrate their ability to critically review academic studies on a particular topic, to synthesize the results and to develop a clear argument backed by the evidence in the literature. In the presentation, they demonstrate their ability to present key insights from complex theoretical and empirical papers, and to present and defend an argument on the research question developed from the literature.
Course prerequisites	Previous attendance of other Development Economics lectures is recommendable, but not compulsory.
