Certificate Programme

## Building International Careers

Are you looking for a job or internship?

There are endless career and employment opportunities worldwide waiting to be explored! Our programme supports you in planning your international career path right from the start.

- ✔ Set your individual goals
- ✔ Create a plan of action in collaboration with other students
- ✔ Develop your own international profile in workshops
- ✔ Get professional advice from the Career Service team

By participating in the one-semester programme, you will be eligible to receive the "International Certificate" (InDiGU).
