General Information

OVERVIEW CONFERENCE VENUE/ CAMPUS MAP

The conference takes place in two buildings:

**ZHG (Zentrales Hörsaal Gebäude/Central Auditorium Building)**

Keynotes and round tables as well as some open fora will take place in the lecture halls (all on the ground floor). You will find registration, information desk, wardrobe, catering and exhibition of publishers in the foyer of ZHG. There you will also find a room of silence (prayer room).

**VG (Verfügsgebäude/Disposal Building)**

Panels, open fora and poster sessions will take place in seminar rooms. The room number shows on which floor a room is located (e.g. VG 3.101 is on the third floor, VG 0.110 is on the ground floor). On the ground floor you will find a room of silence to take breaks from the busy conference. Speaking is not allowed in this room.

Both buildings are located on the Central Campus (Humanities Centre) of the Georg-August-University Göttingen (Platz der Göttinger Sieben, 37073 Göttingen).

The map we included in the conference folder helps you to find your way around Göttingen (yellow brochure). A reduced site plan can be found on the page of the asta (central student union: https://asta.uni-goettingen.de/wp-content/uploads/2014/09/Campusplan2017.pdf).

All conference facilities are wheel-chair accessible. For full information on access, this map (http://lageplan.uni-goettingen.de/en/?family=on) helps you to find your way around Göttingen and provides information on accessibility for the campus of the Georg-August-University Göttingen.

CATERING

At the conference you will be provided with lunch and dinner. Additionally, there will be coffee breaks. The meals are served at three stations in the ZHG. Everything is vegetarian and/or vegan. Complete lists of ingredients and allergenic substances will be displayed.

Cutlery and dishes are bio-degradable. In order to reduce waste, you will find a cup in your conference bag that we kindly ask you to keep using during the conference for coffee and tea. Additionally, you will be provided with a water bottle that you can refill at several water stations in the lecture hall building (ZHG). Because of the high water quality in Germany, you can drink tap water everywhere.
CHILDLCARE

If you need childcare, please let us know by sending following information to the 10efrc@uni-goettingen.de or by contacting a student helper at the information desk:

> Age of the child/children
> Scope of care (days & times when childcare is needed)
> Special requests (illnesses, allergies etc.)

TOILET FACILITIES

Most toilet facilities are all-gender restrooms. However, in both ZHG and VG there is also one men’s and one women’s toilet available. In VG the men’s and women’s toilet is located on the 4th floor.
