

### 3. CAPACITY BUILDING WORKSHOPS

- 3. ABS Workshop on November 18, 2021: Agro-tourism at conservation forest areas
  - The online workshop was conducted by the National Park Bukit Duabelas (TNBD) & IPB University and was attended by 100 participants.
  - Aim: To improve the capacity of TNBD in the management of their conservation area – by a) to build capacity to generate income by agro-tourism in conservation areas, and b) to establish networks with experts from IPB University in the field of 'Agro-tourism in Conservation areas'.
