The University of Liechtenstein has limited capacity for the studio in the Architecture programs. Therefore, we cannot guarantee that we will be able to accept all exchange students. We do our best to fulfill our obligations towards our partners, but in some cases exchange students might be rejected in competition with other strong candidates. We strongly encourage you to have an alternative destination in case you are not admitted.	
Language requirements	To participate in the courses taught in **ENGLISH** an upper-intermediate **Level B2** (or higher) is required. You can submit an official diploma or certificate. Certificates of attainment are also accepted. For courses taught in **GERMAN**, a **C1** level of proficiency is required.
Exams	Exchange students are required to stay until the end of the scheduled exams as mentioned in the academic calendar. Grading system at the University of Liechtenstein. Workload measured in ECTS (European Credit Transfer System) 1 ECTS = 30 working hours.
Students with special needs	Should be advised in the nomination email about the special needs, or any different reason that needs special adjustments.
Welcome Days	Welcome days are 1 week before the official semester starts. Explanation of all organizational issues. Mandatory for all Incoming students.
Accommodation	University of Liechtenstein provides residential facilities. Once admission has been granted, students have the opportunity to reserve a place in the student dormitory.
Living and staying	The most frequently asked questions about how to plan your studies for living, working and staying in Liechtenstein.
Visa Requirements	Students who wish to take up temporary residence in Liechtenstein for the purpose of study need to apply for a short-term residence permit. The coordination center of permits will assist you with the application process. Students from third countries require a visa to enter Liechtenstein. The University of Liechtenstein provides support – students are requested not to start the procedure by themselves. Please contact the university's coordination center for permits bewilligungen@uni.li
Health Insurance	It is compulsory to have a proof of a valid health insurance. Students from non-EU countries must get in contact with bewilligungen@uni.li to organize a valid health insurance for Liechtenstein.
Buddy program	This programme is offered by volunteers and ESN to support incoming students, providing practical assistance and guidance.
