Education

2017/03 PhD in Linguistics, University of Amsterdam (defense date: March 1st, 2017)
2012/06 MA (research) in Linguistics (cum laude), University of Groningen (Faculty of Arts),
2009/08 BA in English Language and Culture, University of Groningen (Faculty of Arts)
1999/08 Gymnasium (Secondary school), Gimnazija Priboj, Yugoslavia

Positions

2019/04–2022/03 Post-doctoral researcher in the DFG-funded project
(A)symmetries and movement in spoken and sign languages
Georg-August Universität Göttingen
2018/10–2019/03 Assistant professor, Universität Erfurt
2017/04–2019/03 Assistant professor, Georg-August Universität Göttingen
2016/11–2017/01 University lecturer, University of Groningen
2016/09–2017/03 Guest researcher, University of Amsterdam
2012/09–2016/08 PhD position at the Amsterdam Center for Language and Communication (ACLC), University of Amsterdam
2012/01–2012/06 Research assistant, Center for Language and Cognition (CLCG), University of Groningen *Language Acquisition* (Department of Linguistics)
2010/09–2011/02 Student assistant, Department of English Language and Culture, University of Groningen

Teaching

2018–2019 Lecturer: *Semantics lab class* (Göttingen)
Lexical semantics (Erfurt)
Pragmatics (Erfurt)
2017–2018 Lecturer: *Semantics lab class*
Introduction to English Linguistics
Distributed Morphology
Syntax: Verb placement and agreement

2016/11–2017/01	Lecturer: <i>English Syntax</i> , Department of English Language and Culture, University of Groningen
2014/06	Teaching assistant at LOT summer school: Syntax course, <i>Verb placement and Agreement</i> , Radboud Universiteit Nijmegen
2014/05–2014/06	Lecturer: <i>Research skills</i> , Department of the Slavonic studies, University of Amsterdam
2010/09–2011/02	Teaching assistant: <i>Introduction to Syntax</i> , Department of English Language and Culture, University of Groningen

Talks and Presentations

2018/06/01	The Rich Agreement Hypothesis from a Typological Perspective <i>CGG</i> 28, Rovira i Virgili University, Tarragona
2018/04/20	The Rich Agreement Hypothesis from a Typological Perspective <i>West Coast Conference on Formal Linguistics 36 (WCCFL)</i> , University of California, Los Angeles
2015/08/06	Rich Agreement Hypothesis: A view from a typological perspective, <i>17th Seoul International Conference on Generative Grammar (SICOGG)</i> , Kyung Hee University, Seoul, South Korea
2015/04/30	Rich Agreement Hypothesis: A view from a typological perspective, talk at University of Massachusetts (at Amherst)
2015/04/23	Rich Agreement Hypothesis beyond Indo-European, <i>Ling Lunch</i> talk at Massachusetts Institute of Technology
2015/04/17	Rich Agreement Hypothesis beyond Indo-European, talk at University of Connecticut
2014/09/08	What's universal in pronominal systems? <i>Syntax of the World's Languages (SWL) 6</i> , Università di Pavia, Italy
2014/06/13	What's universal in pronominal systems? TABU-dag, Rijksuniversiteit Groningen
2014/05/26	There will always be number! <i>Generative Linguistics in the Old World, in Asia X</i> , National Tsing Hua University, Hsinchu City, Taiwan
2014/05	There will always be number! <i>Colloquium on Generative Grammar (CGG) 24</i> , University of Madrid (accepted but could not attend due to overlap with the GLOW in Asia conference)
2014/05/09	There will always be number! <i>Cambridge Comparative Syntax (CamCos) 3</i> , University of Cambridge
2013/11/01	Testing the Rich Agreement Hypothesis, NAP-dag, University of Amsterdam

Publications

in prep.	On minimal person and number features
in review	Agreement and verb movement: The RAH beyond Indo-European
2015	The Rich Agreement Hypothesis beyond Indo-European. <i>In Proceedings of the 17th Seoul International Conference on Generative Grammar</i> , Kyung Hee University, Seoul, South Korea

Intensive courses

2015/02–2015/05	PhD classes at MIT Advanced Syntax, David Pesetsky Morphology, Adam Albright, Martin Walkow and David Pesetsky Topics in Syntax, Danny Fox and David Pesetsky
2015/01	LOT Winter School, University of Amsterdam

	David Adger, Queen Mary University of London
	– Phrase Structure and Functional Categories
	Charles Yang, University of Pennsylvania
	– An Integrative Approach to Language Acquisition
2014/06	LOT Summer School, Radboud Universiteit Nijmegen
	Michael Cysouw, Philipps Universität Marburg
	– Unity and Diversity of Human Languages
	Idan Landau, Ben Gurion University
	– The Interplay between Syntax and Semantics in Control
	Jeff Lidz, University of Maryland
	– Language acquisition
2014/01	LOT Winter School, VU Amsterdam
	Enoch Aboh, University of Amsterdam
	– The Emergence of Hybrid Grammars: Contact, Change and Creation
	Marjo van Koppen, Utrecht University
	– The architecture of variation
2013/06	LOT Summer School, Groningen (the Netherlands)
	Daniel Harbour and Andrew Nevins
	– Masterclass (PhD project talk)
	Daniel Harbour, Queen Mary University of London
	Andrew Nevins, UCL London
	– Core Phi: Morphosyntax and Morphosemantics
	Nan Bernstein Ratner, University of Maryland
	– Contemporary topics in language acquisition
2013/01	LOT Winter School, Leiden (the Netherlands)
	M. Haspelmath (Max Planck Institute, Leipzig)
	– Masterclass (PhD project presentation)
	– The Nature of Morphosyntactic Universals
	R. van Valin (Heinrich-Heine-University, Düsseldorf)
	– Information Structure and Linking Syntax and Semantics
	W.F.H. Adelaar (Leiden University)
	– Research Methods in Comparative Linguistics
	C. ten Cate (Leiden University)
	– Vocal Communication and the Linguistic Abilities of Animals
	S. Drude (Max Planck Institute, Nijmegen)
	– Language Documentation, Linguistic Annotation and Archive Building
2010/06	LOT Summer School, Radboud Universiteit Nijmegen
	B. Hollebrandse (University of Groningen)
	– Language Acquisition
	M. Pickering (University of Edinburgh)
	– Language Processing
	F. Landman (Tel Aviv University)
	– Aspects of the Semantics of Comparatives

Study experience (MA level)

2012/04	MA thesis
	Title: <i>Result constructions in Serbo-Croatian</i>
2011/07	New Sounds (Developmental phonology)
	Title: <i>Effects of acoustic similarity on acquisition of Dutch front rounded vowels in American English children</i>
2011/02	Internship at the Utrecht Institute

	of Linguistics, the Netherlands
	Topic: <i>Secondary predication in Slavic languages</i>
2010/06	Advanced Statistics
	Title: <i>Age and L1 effects on attitudes towards neighboring languages in Danish and Swedish speakers</i>
	Dutch Semantics and Acquisition
	Title: <i>Semantics and syntax of degree phrases with size adjectives</i>
	Language Development
2010/02	Linguistic Analysis (Theoretical syntax)
	Title: <i>Parsing wh- amalgams</i>
	Basic Statistics
	Corpus Analysis
	Title: <i>Particle positioning in early child Language</i>
	History of Linguistics

Languages

Native	Serbo-Croatian
Near-native	English
Conversational	Dutch

Computer skills

Text processors	L ^A T _E X, Microsoft Office, Open Office
Operating systems	Windows, UNIX
Statistical tools	PASW/SPSS, R
Phonetics tools	Praat, Audition, Audacity

Non-professional interests

I enjoy all types of instrumental Jazz from be-bop to jazz fusion of the 70s. I play the guitar in my free time.
