## On Foot

### From the train station

Exit the train station in the direction of the city centre. Cross the square in the direction of the Bus Terminal, on the far side of which you can cross Berliner Straße at the pedestrian crossing with traffic lights. Walk straight on along Goethe Allee (merges into Prinzenstraße). The Historical Building is located at the corner of Prinzenstraße and Papendiek, on the banks of the Leinekanal.

**By car**

Leave the motorway A 7 at the Göttingen exit, and take the direct route: Kasseler Landstraße - Groner Landstraße - Groner-Tor-Straße in the direction city centre. You can park your car in the multi-storey car park Groner-Tor-Straße. Cross the Papendiek on foot. You will see the Lichtenberghof to your right. Here you will find an entrance to the Historical Building; a second entrance is located on Prinzenstraße.
