

At the University of Göttingen -Public Law Foundation-, Mathematisches Institut, there is a position as

Research assistant (all genders welcome)
Entgeltgruppe 13 TV-L/75%

to be filled. Starting date is as soon as possible. The position is limited for 3 years.

Your duties

- You will teach courses as defined in Section 31 of the Higher Education Act of Lower Saxony (NHG) and administer examinations
- Work in the research area of geometry and/or gauge theory and/or Riemannian geometry of manifolds (Prof. Pidstrygach)

Your profile

- you hold a highly qualified Master/Diploma or PhD in Mathematics
- have a research focus on geometry and/or gauge theory, preferably with emphasis on mathematical applications of gauge theory and/or Riemannian geometry of hyperkähler manifolds
- are proficient in German and English
- have research experience
- teaching experience will be beneficial

This post is designed to serve in fostering young researchers and scientists and give the successful applicant the opportunity to pursue a post-doctoral degree. For PhD students the post give the opportunity to pursue a doctoral degree. For more information get in touch with Prof. Dr. Victor Pidstrygach directly via e-mail: victor.pidstrygach@mathematik.uni-goettingen.de.

The University of Göttingen is an equal opportunities employer and places particular emphasis on fostering career opportunities for women. Qualified women are therefore strongly encouraged to apply in fields in which they are underrepresented. The university has committed itself to being a family-friendly institution and supports their employees in balancing work and family life. The University is particularly committed to the professional participation of severely disabled employees and therefore welcomes applications from severely disabled people. In the case of equal qualifications, applications from people with severe disabilities will be given preference. A disability or equality is to be included in the application in order to protect the interests of the applicant.

Please upload your application in one pdf file including the usual documents until 9/20/2023 on the application portal of the university using this link: <http://obp.uni-goettingen.de/de-de/OBF/Index/74199>. For more information get in touch with Vincent Lindenbauer directly via E-Mail: vincent.lindenbauer@mathematik.uni-goettingen.de, Tel. +495513927826 .

Please note:

With submission of your application, you accept the processing of your applicant data in terms of data-protection law. Further information on the legal basis and data usage is provided in the [Information General Data Protection Regulation \(GDPR\)](#)
