

Term Paper

Please visit the preliminary talk. Your attendance at this talk is a precondition for participating in the seminar. The date of this talk can be checked at UniVZ. You will receive all necessary information there and further questions will be answered orally.

Bachelor thesis

The topic of your thesis should fit to the topics of research of the chair of international economics. You apply with an individual proposal. Please send your candidature with a short CV, synopsis of your grades and an exposé with two to three pages via E-Mail to the secretariat (all research associates as CC). Your exposé should contain your topic, a rough sketch of your structure and a provisional list of literature. After your candidature you'll get a feedback and an invitation to a conversation. Please take the registration-form which you got at the essay office with you.

As a requirement to write your thesis at this chair, you should have visited at least one deepening course (not the obligatory course "Grundlagen der Internationalen Wirtschaftsbeziehungen" but "International Trade: Theory and Policy" or "Seminar on Topics in International Trade").

You can write in English or in German.
