Mr. Aymeric LACHIVER
International programs Coordinator
French - Japanese Management
Centre (CFJM) Coordinator
+33 (0)2 23 23 79 79
cfjm@univ-rennes.fr

Partner Universities and Schools can nominate their students for the Fall and/or Spring semesters according to the Annual Calendar information (see below) to: igr.international-incoming@univ-rennes.fr

Courses are intended for exchange students who completed **at least 2 years of studies** in their home university, with a **minimum level of B2** in the language(s) of the selected courses (English and/or French).

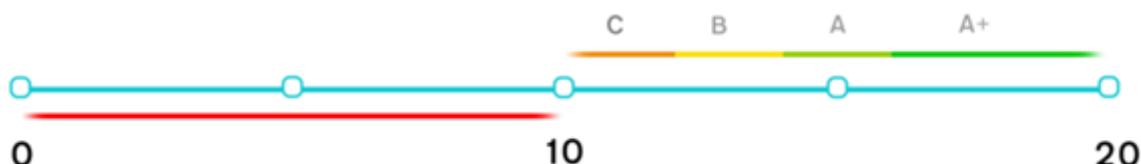

Please note that exchange students **can only attain a final degree at University of Rennes** if there is a specific **double degree partnership** with their home university.

Students coming under **double degree agreements** should be nominated as standard exchange students. They will then receive specific guidance depending on the degree they will prepare at IGR-IAE Rennes.

Exchange students may complete their **courses selection** through their learning agreement either by picking individual courses ('*à la carte*') or by choosing a specific degree (Bachelor or Master).

When cooperation agreements are concluded by subject area, department or faculty, **learning agreements can be drawn up between different faculties as long as timetables are compatible**.

French grading system

In France, we use a **0 to 20 scale to report the grades**. The grading scale goes from the top grade "19-20 points" for an outstanding performance (rarely awarded) until the bottom grade "0 point" for a very poor performance (or "no show"). The passing mark is at "10 points". Above "10 points", the corresponding grades are "10-11 points" = C, "12-14 points" = B, "15-16 points" = A and "17-20 points" = A+.

An exam period is organized at the end of each semester. During that week, exams will be organized for some of the courses. The other courses are tested during or after the lectures (continuous assessment). They will be included in your final grade. Each professor informs their students of the exam procedures.

Annual calendar information

Fall semester	Bachelor (3 rd year)	Master (1 st year)
Lectures	September 2 - December 18, 2026	
Autumn break	October/November, 2026 (1 week)
