

**Checklist:**  
**Applying for the Master's Programme in Chemistry**  
**at Georg-August-Universität Göttingen**

The application for admission into the master's programme in chemistry is submitted in writing. The respective form and documents must be submitted by January 15<sup>th</sup> 2022 when applying for the summer semester 2022 (cut-off period!).

Please send your application for admission and the corresponding documents to:

Georg-August-Universität Göttingen  
Studiendekan der Fakultät für Chemie  
Tammannstr. 4  
37077 Göttingen

Please use the application form to apply for admission, which must be signed personally by you. Please attach the following documents to the application:

- The applicant's bachelor's certificate(s) in the form of certified copies or certified German or English translations if the originals are not written in German or English; if the bachelor's certificate is not available yet, a certificate specifying the study achievements completed so far, the credits and the average mark is to be submitted (final certificates must be handed in by September 30<sup>th</sup> 2022).
- In case the university does not use the ECTS-system please attach a proof concerning the equivalence of the credits by the university or by another official institution
- A CV in German or English including a photograph and a meaningful summary of the applicant's education
- Proof of sufficient knowledge of the German or English language if the applicant does not have a German school leaving certificate nor a bachelor's degree or its equivalent completed at a German or English university. This proof must be a certificate issued by an accredited institution and state that the applicant's proficiency is DSH 2 level (English GER C1 level) or higher (this certificate must be handed in by May 15<sup>th</sup> 2022).

**For details on the requirements for application and on the selection procedure, please consult the admission rules and regulations ('Ordnung über die Zugangsvoraussetzungen und über die Zulassung für den Master-Studiengang Chemie').**

Should you have any questions, please contact the office of the Dean of the Faculty of Chemistry: Phone: +49 551 39-21810, email: [dekanat@chemie.uni-goettingen.de](mailto:dekanat@chemie.uni-goettingen.de)
