

# CLUE PROJECT PROPOSAL

Fakultät für Physik

CLUE - Collaborative Laboratory and  
User Facility for In-Situ Electron Microscopy

<b>A. CLUE Project Code:</b>	Please do not fill in shaded boxes.
<b>B. Date:</b>	
<b>C. Proposer:</b> (Name, email, telephone number, office)	
<b>D. Project Title:</b> (Give a brief descriptive title for the project)	
<b>E. Project Description:</b> (Write a few sentences describing the scientific goal and what will be learned from CLUE experiments)	
<b>F. CLUE Equipment Needs:</b> (Describe which microscope(s) are needed and list any special techniques, such as environmental conditions, EDV, EBSD, in-situ holders.... Estimate the time needed on each microscope in terms of number of sessions, frequency of sessions, and hours in each session, e.g. once per week for 3 hours for the next 6 months.)	
<b>G. Users:</b> (If more than one user, indicate the task distribution.)	
<b>H. Funding Source(s):</b> (e.g. DFG, UNI Kostenstelle, BMBF...)	
<b>I. Estimated Costs:</b>	
<b>J. Name and Signature of Group Leader:</b> (should be signed after Estimated Costs are known) Prof. Dr.	
<b>K. CLUE Approval:</b>
