

CERTIFICATE PROGRAMME

Building International Careers

WiSe 2019/20

You are looking for a job or internship in a global context? The certificate programme „Building International Careers“ supports you with blended learning methods and a flexible timeframe in planning your international career path.

OBJECTIVES

- Knowing your interests, competences and strenghts for global working perspectives
- Planning and preparing your career abroad (research strategies for jobs, application documents, interview situations)
- Becoming part of an international learning community that focusses on international working contexts

TARGET GROUP

- BA and MA students of all subjects who aim at global working activities (international and German students)
- Everyone who registers online with a high degree of motivation and applies successfully with a preparation task will be part of the programme

TIMELINE AND METHODS

- Winter term 2019/20 (13.11.2019 – 10.02.2019)
- Blended Learning: workshops, webinars, (online-)lecture, self-assessment exercises, peer-to-peer-coaching

REQUIREMENTS TO GAIN THE CERTIFICATE

- Participation in the kick-off-workshop and the final workshop (with presentation)
- Completing the online-modules (flexible timebox)
- Engagement within the peer-group-meetings
- Intercultural competence training
- Intercultural engagement
