Esn Modena was born with the goal of supporting Erasmus Incoming Students (but also all international students in general) and Modena Outgoing Students. Esn’s objective has always been international mobility of students in order to foster cultural integration in Europe and all over the World, and Esn Modena’s goal is make foreign students notice the qualities of the city and of its students, but also to convince more and more local students to experience life abroad. Esn Modena wants to help students to solve their first difficulties, as far as possible (arrival and accommodation) and sustain them during their experience (informative meetings about courses to attend and exams to do, cultural activities, and social events).

In case of necessity and for any doubt, Esn Modena is always available and easy to find.

Please contact them by e-mail - Mail Address: modena@esn.it - Web Site: www.esnmodena.it. You can contact them also on Facebook, searching "Esn Modena" group.
