

Web Designer (m/f)

COVET GROUP is recognized as a group of proven experience in the design and luxury furniture fields, a creative company, with a revolutionary and pioneering attitude.

We have 15 brands, presence in 97 countries and internship offers in many areas: Marketing, Design, Communication, Social Media, Management, HR, Programming, Sales, Logistics, and many others.

Are you always flowing with **creativity and out-of-the-box ideas**?

Do you want to improve and impress with your **Photoshop, Illustrator, Sketch and Bootstrap skills**?

Feel like you have good knowledge of the **English language**?

We'd love to see your talent. Your challenge would consist in:

Thinking creatively to produce new ideas and concepts;

Working proficiently with UX and UI tools;

Contributing to team efforts by accomplishing tasks as needed.

If you want to **grow** alongside **talented and enthusiastic** young people just like you, while **learning** a lot of **interesting new things**, apply now.
