I have read and understood the University of Göttingen's (Georg-August-Universität Göttingen) rules on plagiarism.

I hereby declare:

- This piece of written work is my own independent scholarly work.
- All material and ideas from the work of others (in books, articles, essays, dissertations, and on the internet) are acknowledged, and quotations and paraphrases are clearly indicated in the proper form.
- I have provided the sources for all figures, diagrams, tables, data, etc., that are not my own work.
- I have not submitted (nor am I submitting concurrently) any part of this written work as examination material at this or any other educational institution, including school.
- I have not made use of the work of any other student(s) past or present without acknowledgement.
- I have not used the services of any professional persons, agencies or AI companies to produce this work.

Please see overleaf for statements on using AI. Note that all AI services should be used with due consideration and care. To better understand students' use/s of AI and to adapt our teaching in future semesters, please provide information on the prompts you used as requested below.

☐ In the work presented here, I have used AI for one or several purposes, as indicated below. I confirm that I have fully stated all uses of AI software:

(topic-finding process)

- ☐ for assistance with brainstorming
- ☐ for sharpening the focus of my topic

If you have ticked one of the points above, please add an appendix to your paper in which you note the AI or AIs and the prompts you used. You may provide screenshots or saved TXT files (e.g. when using Chat-AI hosted by the GWDG).

(writing process)

- ☐ for assistance with creating the outline
- ☐ for assistance with creating paragraphs (this does not include revision, see “editing” section below)
- ☐ for assistance with creating the theory chapter
- ☐ for assistance with textual analysis
- ☐ for assistance with writing conclusions

If you have ticked one of the points above, please add an appendix to your paper in which you note the AI or AIs and the prompts you used. You may provide screenshots or saved TXT files (e.g. when using Chat-AI hosted by the GWDG).

(researching secondary sources)

This refers to AI like Elicit, Papers or ScholarAI.

- ☐ for finding suitable secondary literature
- ☐ for assessing secondary literature in terms of usefulness or critical assessment

If you have ticked one of the points above, please add an appendix to your paper in which you note the AI or AIs and the search terms you used.

(editing process)

This refers to AI like Grammarly.

- ☐ for proofreading in terms of language
- ☐ for proofreading editing tasks (e.g. referencing, footnotes, ...)

I understand that if I make any false claim with respect to this work I will fail the exam and the Prüfungsamt will be notified.
