

Gennady Bracho Mujica

Year of Birth: 1981, Gender: Female, Nationality: Venezuelan

Department of Crop Sciences, Faculty of Agricultural Sciences, Georg-August-Universität Göttingen

Curriculum Vitae

Academic Education

2013 – 2018 Ph.D. in Sciences, The University of Adelaide, Australia

2006 – 2009 M.Sc., Agricultural Engineering, Universidad Central de Venezuela, Venezuela

1999 – 2005 B.Sc. Hons, Agricultural Engineering, Universidad Central de Venezuela, Venezuela

Professional Career

Since 8/2018 Postdoctoral researcher, Tropical Plant Production and Agricultural Systems Modelling (TROPAGS), Faculty of Agricultural Sciences, Georg-August-University Göttingen

2013 – 2017 Researcher, Spatial Information Group, School of Biological Sciences, The University of Adelaide, Australia

2006 – 2018 Lecturer and researcher, Agroclimatology, Universidad Central de Venezuela, Venezuela

2005 Climate information analyst

2001 – 2005 Teaching assistant, Agroclimatology, Universidad Central de Venezuela, Venezuela

Fellowships, Awards, and Honours

2013 – 2018 Ph.D. scholarship, Australia Awards

2002 – 2004 B.Sc. scholarship, Fundayacucho Awards

Research Interests

I am an agronomist with experience in tropical and temperate climates. My research interests are in quantifying and understanding crop impacts and responses to extreme weather events, based on experimentation and agro-ecosystem modeling - to contribute with solutions to better address current and future environmental challenges.
