JOBS

- | | |
|-------------------|---|
| Since 2017/10 | PhD at the Georg-August University of Göttingen
in the Division of Biogeochemistry of Agroecosystems
in the Robert-Bosch project " More crop per drop for sub-Saharan Africa: Key rhizosphere traits to overcome multiple resource limitation " |
| 2016/06 -2017/06 | Research assistant at the IFZ (Institute of Sugar Beet Research) in Göttingen
Field experiment: organizing measurement of N₂O emissions and analysis |
| 2015/07 -2015/10 | Student associate at the Georg-August University of Göttingen
in the Division of Biogeochemistry of Agroecosystems
¹³C, D₂O PLFA- analysis of soil samples, evaluation of GC- chromatograms (ISODAT), statistics (Statistica),
student supervision of laboratory work |
| 2015/04 – 2015/06 | Internship at Bayer CropScience:
Field experiments: supervision of field sites, data recording, scoring of fungi infestation in wheat |
| 2013/08 - 2015/03 | Student associate at the IAPN (Institute of Applied Plant Nutrition) Corporation of the Georg-August-University of Göttingen and the K+S company
Laboratory and greenhouse work:
Preparation and analysis of plant samples, organization of greenhouse experiments |
| 2012/07 – 2012/10 | work practice on the dairy farm of Henning Seekamp, Höfeweg 17, 26931 Elsfelth
milking, feeding, soil cultivation |
| 2009/09 - 2010/07 | Work and Travel in New Zealand and Australia |

Curriculum Vitae Sara Halicki

STUDIES

- 2013/10 – 2016/04 **Agricultural Science (M. Sc.)** at the
Georg August University of Göttingen
Master thesis
“Microbial glucose metabolism at low temperature assessed by
position-specific ^{13}C labelling and compound-specific ^{13}C analysis”;
(grade 1,4)
- 2010/10 – 2013/10 **Agricultural Science (B. Sc.)** at the
Georg August University of Göttingen
Bachelor thesis:
"Die Terra Preta als Leitbild für eine Bodenverbesserung:
Ein Resümee über die Einsatzmöglichkeiten und die
Notwendigkeit der Nutzung von Biokohlen bezogen auf die
landwirtschaftliche Nutzung in Deutschland" (grade 1,3)
- 2013/02 - 2013/07 ERASMUS study stay in Cracow (Poland) in 6th Bachelor semester
