5) Documents

Please include the following documents in your application:

- ✓ [application form](#) of GGG
- ✓ resume in table form and diplomas achieved so far (copy)
- ✓ statement of need (3 pages max) including the following information:
 - beginning and development of your thesis until now, state of supervision, financing until now
 - description which kind of language revision do you need. If you do know a competent person or institutions for this already, please name it (otherwise we will help you to find one).
 - financial situation (heights and origin of income, which support is given to you by other institutions?)
 - if any: description of additional reasons (like child care, social background, disability or illness, family situation, residence permit status, need of assistance)
 - additional scientific reasons for receiving the grant (e.g. Cotutelle)
- ✓ table of contents of the dissertation that shows the current state of the working progress (finished parts, parts who need to be revised, parts that are missing?)
- ✓ work schedule for the period of financial funding
- ✓ statement of your supervision, which includes information regarding the need and the priority of the GGG-Support. It also should tell us in a realistic manner, if and until when the dissertation will be finished and give us an evaluation of how the PhD project would profit from this funding.
- ✓ Confirmation as PhD student from your faculty or the students office (copy)
