They are made.**

BOSCH
Invented for life

Internship in International Product Management BOSCH Power Tools f l m

“Made by Bosch” stands for the first-class quality of a global player. Take your chance of an attractive career opportunity in an international company.

Bosch is the worldwide leading manufacturer of power tools and sets standards with its innovative products. In our global head office in Leinfelden next to Stuttgart we develop, produce and distribute a wide range of power tools for professional and Do-It-Yourself users.

Your responsibilities:

You will work closely with one of our product managers in the following fields:

- Implementation of international product- and marketing concepts
- Market research and competitor analyses
- Professional product introductions in Europe
- Organisation of events, product demonstrations, customer surveys

You will get insights in our internal workflows and daily business. Furthermore you will work independently and will take over your own projects.

Your profile:

- Successfully concluded basic studies with a focus on marketing.
- You dispose of a fast apprehension and a high degree of creativity.
- You're familiar with usual MS office applications (Excel, Word, Power Point).
- Strong communication skills, reliability, team spirit as well as an independent and structured working method belong to your strengths.
- Very good command of the German and English language.
- A minimum of 6 months time.

Make it happen. Apply now.
