

Student Assistant (m/w) Wanted for Proof-Reading at the Sustainable Mobility Research Group (SMRG)

The SMRG deals with problems in the field of sustainable mobility of the future and is looking for a student assistant to support research and project work.

Applicants are either required to be a bachelor's or master's student in English, have a longtime abroad experience in an English speaking country or are a native speaker.

Task:

- Research for and proof-reading of lecture slides and research papers

Expected Qualities:

- 'Hands-on' mentality
- Reliability

What we offer:

- An interesting insight in the field of Business Information Systems
- The possibility to work on current scientific projects as well as scientific research papers and publications

The working hours are limited to 20 hours per month. The payment follow the usual hourly rates for student assistants.

If this caught your interest, feel free to send a cover letter, your overview of grades and also your CV to abrende1@uni-goettingen.de.
